ATHLETIC POLICY

Student-Athlete's Code of Conduct

To Parents and Guardians September, 2019

This letter is to inform you that the New Westminster Athletic Department collects athletic fees in order to provide athletic opportunities for its students. Due to the increasing cost of doing business and the new "Act Now" (Healthy Foods initiative) from the Provincial Government, all schools across the province will see a reduction in extracurricular funding. In order to keep up with increasing costs of transportation, tournament entry fees, officiating, equipment, uniforms, awards, banquets, registration fees and general inflation, fees will be adjusted and reflect the needs of each individual team. Our Athletic fees range from $50 and up. Fees vary per season and per sport.

Your athlete's athletic fee for _____ will be $_____
"Sport" (made out to "NWSS")

Athletic fees will now be available for payment online at the NWSS website or in person at the Pearson office. The online accepted form of payment is electronic bank transfer. (Visit nwss.ca)
For in person payment, Pearson office accepts cash or cheque (made out to NWSS).

*The money collected is an **Athletic Fee** not a uniform deposit.

***Uniforms** issued to students are the **property of New Westminster Secondary School**

and **must be returned** after every season.

****A Separate Uniform Deposit Cheque/Cash of $100.00 is required (post-dated to JUNE 1, 2020) (made out to "NWSS")**

(handed in when picking up uniform)

One cheque per calendar year only.

Multi-sport athletes may transfer uniform deposit cheques from sport to sport.

Cheques will be cashed after June 1, 2020 if uniforms are not returned.

Cheques will be destroyed when uniforms are returned.

Notice:

The New Westminster School board will **no longer** be supplying **transportation** for teams, and thus student athletes will have to make transportation arrangements to attend games and tournaments.

The New Westminster Secondary School's Athletic Department has been providing excellent athletic opportunities, coaching and value to its athletes for many years. We would like for our athletes to continue to participate in one of the largest programs in the province and pursue their goal of athletic excellence.
