Dear Parents,

Every year the NWSS graduates celebrate their graduation with the annual Dry Grad event. Dry Grad is a fully supervised, parent-sponsored event which provides students with a safe, drug-free and alcohol-free environment in which to celebrate their special Day.

This year the Dry Grad will be held on June 28 right after the graduation ceremony. The grads will be bused from the ceremony to the event of a life time...there will be a DJ, a hypnotist, inflatable and casino games (and lots more) and lots to eat and drink.

Of course, with such a great event comes the need for funds and each year parents volunteer many, many hours to organize and fund the event.

Over the years many parents requested, ***“Is there a way I can just donate \$20 instead of buying gift cards (or some other fundraiser item)?”***

This year, the Dry Grad committee has set up an online **fund-raising page** to make it easy for you, your family and friends to help fund this amazing event. There are also many others in our local and extended community that love and support our grads and would want to donate to help provide them with a safe and memorable night.

\$18 for 2018

By donating \$18.00 for each student in the graduating class we will reach our fundraising goal. Even a small donation of \$5.00 goes a long way to helping. Donations will also help us to keep the ticket prices low so that every Grade 12 student can attend.

Please help us reach our goal and donate to this great cause and share the link below with family and friends!

It is 3 super easy and simple steps:

Step 1: Go to the fundraising page by clicking here:

<https://www.youcaring.com/nwss2018graduates-1020796>

Step 2: Make a donation. Even \$5.00 goes a long way.

Step 3: Share on your Facebook page and share with your family and friends. Sharing can help us reach our goal faster.

Thank you for supporting your grad and contributing to this memorable event.

Your Dry Grad Committee
