Dear French Immersion Parents,

On behalf of the New Westminster Chapter of Canadian Parents for French, welcome as we begin another exciting year of French Immersion! CPF is a group of volunteers dedicated to the creation and promotion of French second-language learning opportunities for young Canadians. CPF New West is like a PAC but for ALL the schools in our district.

What do we do?

- We organize all kinds of fun and exciting events and activities – including shows, plays, movies, festivals, and more – all in French!
- We offer resources to parents, especially those who don't speak French, so they can support their children at home;
- We work alongside the school board, district language coordinators, principals and teachers to help create unique learning experiences both in and outside of the classroom;
- We are part of a network of more than 8,500 members in BC and the Yukon who are continually advocating for better French programs for our kids.
