

## NEW WESTMINSTER SECONDARY SCHOOL

835 Eighth Street, New Westminster, B.C. V3M 3S9

Telephone: 604-517-6220

August 28, 2019

On behalf of the entire staff of New Westminster Secondary, I would like to welcome everyone back to school. I hope that each of you have enjoyed a safe and relaxing summer holiday, and as school opening gets closer, I trust that you are looking forward to a new year full of potential. I look forward to working with our parents, guardians, and the New Westminster community in supporting our students to develop the skills and passions that will guide them to future successes.

Throughout the year, we will be posting important dates and information on our school website. The link to our website: <https://nwss.ca/>

I also encourage parents to sign into MyEdBC in order to access their child's course schedule and future report cards, as we will not be printing these documents. See Student Timetable directions on the nwss.ca website.

We are thrilled to welcome our new grade nine students. I hope they are excited with the move to secondary school and that they look forward to exploring new opportunities at New Westminster Secondary. A special "Welcome Back" is reserved for our 2020 graduating class. As the graduating class, you have a special and important role to play in the life of our school. You can, and should, provide both leadership and positive role modeling to the student body. As individuals, you have tremendous potential, so continue to work hard and leave a positive legacy through your actions.

I encourage all students to take advantage of the first class opportunities available to you at New Westminster Secondary and to participate 100% in all aspects of your school experience. I also encourage parents to become actively involved in your child's high school experiences. Clear, open communication between school and home is extremely important. If, at any point you have questions about the school or our programs please do not hesitate to contact me. I wish you all the best for a positive and outstanding 2019-2020 school year.

Sincerely,

Murray McLeod  
Principal, NWSS
