

New Westminster Secondary School

Semester 1 Incomplete Day Student Workshops

January 29 – 31, 2024

Semester 1 Incomplete Days and Student Learning Opportunities!

- NWSS Incomplete Days are scheduled for January 29, 30 and 31.
- The objective of NWSS Incomplete Days is to provide **all students** an opportunity to improve their achievement and submit work that is missing. Teachers may request students to report to class to complete their missing work and assignments.
- Furthermore, we are offering student workshops during Incomplete Days. This is an extension of learning and provides students the opportunity to enrich the educational lives where they will be inspired with greater knowledge and fun hands-on experiences.

New Westminster Secondary School

Students who have been requested by their teacher to report to class to complete missing work must attend.

All students must attend mandatory grade assembly.

All Grade 9 – 11 students must attend mandatory course planning sessions to plan for 2024 – 25 school year.

Students are only permitted to attend the activity that they have signed up for. Attendance is taken at each activity/workshop.

Space in each activity is limited so make sure you sign up early!

How do you register for these amazing student workshops?

- Registration for these workshops will be by Microsoft Forms.
- Registration will **open** on **Friday, January 12th at 7:30am**
- Registration will **close** on **Friday, January 19th at 7:30am**
- Registration will be based on a first come first served basis. Please note that workshops are limited in capacity to ensure we can safely accommodate students in the assigned learning space.

**After you sign up for a workshop,
make a note in your phone calendar
to remind yourself which workshops
you have signed up for.**

A huge thank you to the support of our NWSS staff and students, ICBC, BC Lions, BCFED, Mosaic BC and Fraser Health for their support and role in these wonderful learning opportunities during our NWSS January 29th student workshops.
